John is an exceptional Christian role model. He readily wins students' confidence and

COMMITMENT

The Grace Martial Arts ministry is led by instructors dedicated to providing quality, non-violent self-defense. Scripture memorization and prayer are a part of every camp. Building excellent leadership qualities -- one black belt at a time -- is a paramount focus throughout our ministry.

Our children's program is designed to teach respect, confidence and personal discipline. Also, the students will learn how to avoid conflicts and how to deal respectfully with bullies.
