

Ahhh...um...Say What!?

Do your children ever wonder what *Christmas* is all about? I'm sure *they're* blessed to know God sent us the best gift ever, Jesus, and *Christmas* is the time to celebrate that awesome event with family and friends.

Unfortunately many kids in Brazil still don't know the true meaning of *Christmas*. So every year

Project **ABBA** sponsors a *Christmas* gift project – a **BIG** *Christmas* celebration – where the clear message of the Gospel is shared through music, a Bible story, theater and puppets, and where each child receives two presents: an outfit and a toy. For many, this will be the only *Christmas* they celebrate and these will be the only gifts they open.

For a gift of only **\$8 per child**, **you** could be a part of this exciting outreach! Simply choose the number of kids you would like to sponsor, and we'll do all the shopping, wrapping, and planning of the party! We'll even take pictures and video to share with you of all the kids who were blessed with your gifts and who were given the opportunity to give their lives to Christ. This is a great way to show the love of God through word **and** action!
