

August 2019

Dear Praying Friends and Supporters,

Greetings through Christ's precious Name! As of this writing it is still cold here, but temperatures will go up in the coming days.

Once again we would like to extend our heartfelt thanks to all of you who help us in praying and supporting us financially for the ministry here in South Brazil. We have some items of praises and prayer requests where you can join us in thanking and praying to God.

Month of July 2019 ➤ A father and daughter **accepted Jesus Christ as their Lord and Savior**. They have attended our church regularly ever since they reconciled to our God. A young guy attended our church service for a couple of Sundays and finally, last Sunday August 4, he trusted and accepted the Lord.

Praia de Leste church planting ministry is still on the move. The first plan of the building construction with the idea of putting treated round timber was not being realized. Heavy rains and strong wind just tore it down and we lost some investments in it. Now we are building it with bricks and concrete, and we are almost half-way on the construction. Pray for finances and construction materials that are needed for this building. Pray also for Pastor Luis Brizola and his wife Esther, together with Thiago and his wife, who are in the ministry in this area. Pray especially for their financial support.

East Timor plan is still on our prayer list. Pray that everything will be in accordance with His will. We have some legal paperwork to transfer before we can leave, and working with the government here takes time.

Pray for our health. Nene has stress and it is slowly getting better.

Once again thank you for being with us through prayers and financial support for the ministry here in South Brazil.

In Christ's Service,

Gomer and Nene Indino

Another area of church planting started a couple of months ago through Pastor Carlos and Carmina Shmidt in Ibirama, Santa Catarina, where a group of believers are starting to have regular weekly services.
