

A lot has already happened since we arrived back in South Africa, and since we wrote our last Newsletter. We are now back in our normal ministry routine with so much momentum. This week we preached our 50th message since we arrived on May 10th. Our daily Bible studies are growing, and we hope to start churches from these groups. Our 2 G-TEAMS (Bible school) campuses are continuing with students graduating in December. Campuses in Springs and Lehae will be added in January 2020. We are reaching out to more provinces for church planting, and invitations from non-grace pastors for Bible exposition and doctrinal sharing are now scheduled. Our national calendar of activities is well-followed with excellent attendance and result in each event.

The 4 of us are doing great. We survived winter with very minimal health issues-much better than previous winters. Sheba celebrated her 41st birthday June 24, and Shede turned 10 on July 28. Shede will finish Grade 3 in December. Shedes has 4 books left to finish Kinder 2. They are growing fast! Monday is our day off.

We are humbled by your continued faithfulness in partnering with us through prayer and financial support. Please know that we value your sacrifices, cherish your love and appreciate your generosity. We can't imagine our lives and ministry without you all. We know you are already blessed with all spiritual blessings in Christ Jesus. Praying that God's material and physical blessings will also abound yet more and more to each one of you. We love you all dearly!

Our financial support comes from free will gifts of churches and individuals. TCM issues tax-deductible receipts for all donations for our family and ministry.

YouthGIG Day Conference

June 17 - Youth Growing in Grace (YouthGiG) was officially launched with its 1st conference held at Grace Outreach Church – Boksburg a day after South Africa's June 16 National Youth Day celebration. There were 70 delegates including adult volunteers and kids from three congregations. Certified John Maxwell speaker and Bible school graduate, Josephine Chalmers, did a workshop on *Personal Character*. Dean spoke on the theme, Youth Growing In Grace. While grateful for the good turn-out, still there were youths from other church branches that didn't make it due to work and financial issues.

Ministerial Advancement Program

June 15 – Grace Theological Education And Ministry School (G-TEAMS) added a 3rd level to its program. Ministerial Advancement Program (MAP) is a course designed to provide practical knowledge and guidance for pastors and previous graduates. Classes are done every second Saturday of the month. Subjects include: Leadership, Public Speaking, Personal Development, Inter-Personal Relationship, Counseling, The How To's of Bible Studies and Church Planting.

KidsGiG Teachers Training

June 29 – We conducted a workshop for the 1st batch of KidsGiG teachers from different Grace Outreach Church branches. KidsGiG (Kids Growing in Grace) is our ministry for children ages 3 to 12. The priority is Sunday school classes, but we are developing it to be KidsGiG-3D-Club during school holidays later on. Thanks to *Bible Doctrines To Live By* for generously providing us the curriculum.

Bible Study Meetings

Aside from preaching at Grace Outreach Churches on Sundays and teaching at G-TEAMS on Saturdays, we also teach weekly Bible study groups. The meetings are Tuesday to Friday evenings in 6 strategic locations identified for church planting. The hosts invite families and friends, both believers and non-believers, for 1 hour Bible teaching and interactions. These meetings are intended not only for Bible knowledge impartation, but also to establish closer relationships with people, in hopes of building a desire to start their own church in due time.

Grace Outreach Ministries South Africa
GOMSA Grand Launching
August 4, 2019

August 4 - Grace Outreach Ministries South Africa (GOMSA) held its launching joint service. More than 200 adults and children packed the hall of New Millennium College in Kempton Park. Message from the Word through Dean, reiteration of vision and mission from board chairman Goodman Ndou, orientation of plans and programs, presentation of national leadership and distribution of membership/ church affiliation/workers certificates were highlights of the event. GOMSA is the national counterpart of Things to Come Mission in South Africa.

Prayer and Praise

- ♥ We thank the Lord for the new freedom, vibe and excitement in the South Africa work. Delighted to see GOMSA leaders taking responsibilities and spearheading initiatives in spreading the ministry nationwide, despite their secular work and family responsibilities.
- ♥ Thankful for the new ministry opportunities opening up in the provinces of Mpumalanga, Northwest, Free State, Limpopo, and neighboring countries of Lesotho and Swaziland.
- ♥ Pray for 3 non-Grace pastors opening up their churches for the Grace message and ministry. Our national coordinator and a couple pastors will be organizing preliminary meetings and visits with these pastors to finalize our meeting for a Bible outreach.
- ♥ We are grateful one of our young pastors will be taking over the pastorate of a Pentecostal church that is learning the Grace message in December. Please pray for the transition.
- ♥ While grateful for many opportunities in the ministry, the need for more full time workers to help respond to these “Macedonian calls” has become so evident. Would you please pray with us that we get even 3 of our faithful and hard-working pastors to go full-time? With a gift of \$300 for each of them per month they’ll be able to sustain their family needs and do more in the ministry. These 3 will be working primarily with outreach and church planting. Right now, Sheba and I are the only full-time and fully-supported workers.
- ♥ *Faithfulness and Fruitfulness In the Ministry* is the theme for the GOMSA National Conference this December 6-8. Pastor Jim Tollar of GBC-Beloit, WI is our guest speaker. Pray for an exciting & life-changing conference.
