Charael's Accident & Follow-Up

Driving alone to Elma's homeplace in Mindanao after many busy activities, the accident happened... but God protected Cha with no injury physically but only shock. Thank God for His love and Mercy. Cha continued his studies and help in church activities in Cebu City & Mandaue Grace Gospel Churches. Please continue praying as he will be a working student next semester. Pray he can do it along with working at the University library. Thanks to those who supported Charael's needs.

"God is so wonderful, I can't explain..." but we know from His Word: He called us to salvation by grace through faith and put us into the ministry with our family...and we are serving the Lord. May the good Lord shower you also with His bountiful blessings as you recover from crisis-to-crisis events in this world. May God stand with you with His manifold wisdom for the whole world to stand up for God and for the ministries around the world. With God, and God alone, uphold the faith in your own nation and for the ministries God designed the greatest task bestowed upon us all.

Pray for Uganda

Paña's Ministry in Uganda

October 2012 - December 2012

Dear Friends and Supporters,

With grateful hearts for all God has done in our lives, in the ministry and as a family, we are serving the Lord in tune with His will and purpose. It is a great opportunity and privilege to be saved to serve our faithful God, the Lord Jesus Christ!

We send our deepest, sincere gratitude to you faithful partners in the ministry since 2000 up to 2012! You have been loyal to your strong commitment to the Lord, standing behind us, supporting, praying, encouraging through letters, emails and facebook. It is so amazing! PTL FOR ALL OF THESE SOCIAL NETWORKS WORKING IN THE TREND OF OUR TIMES—but they are not a substitute for our relationship to God and our partnership in the gospel ministry—which are the real means of our communication. Our faith is tested all the time when we have family needs identified and unidentified in our wants and projects in the ministry. God answers all our prayers. It is a lesson to learn in God's Word that patience follows standing still and trusting, letting God do His part with no instruction from us! We need to do what we do best and we know it will work despite interventions, just learning to trust the Lord for what is best for us.

This last quarter of 2012 is a concise achievement in the ministry and a projection of the year to come, to pursue what the Lord called us to do:

- Church in Luzira - the landlord will sell us the land we are presently renting, worth 28 million Uganda shillings (\$11,000). Please pray for God's provision.
- Muyenga Church building project needs the roof and wall in order to be usable for worship and class room for training students for God's ministry. \$10,000 can cover the whole area.
- Continued training of members and youth for ministry in the local church.
- Children's ministry, particularly this quarter, as many spend holidays in their homes. We need something for them at this Christmas season.
- Evangelism is the key to growth of the local church. Pray for passion for souls to be brought to a saving relationship with Jesus Christ as personal Savior and Lord.
- Cell groups for Bible study and nurture of new believers for spiritual growth and maturity in the Faith, to become responsible Christians in their family, community and country.

Luzira Grace Gospel Church, the first church planted in Uganda

We need generous hands to help us buy the land for the church in Luzira!

Muyenga Church needs to be roofed and walled for services and Bible School

Ministry Goal: By 2020 Uganda Grace Gospel Church of Christ Things to Come Mission should have 20 churches in 20 places and towns in Uganda. The ministry started with our registration, Sept. 10, 2004. October 24th we started Bible studies and tract distribution. Then we shifted to Uganda and established a temporary structure for worship which became a permanent building at Kirombe, Luzira Church. In 2006 we acquired land at Muyenga, Kyetyeba and built a stronger foundation for future use as worship center and Bible school as seen in the picture. We wanted to use this building for training people who are interested in ministry of reaching the lost for Christ and to become faithful servants of His for future generations.

Our Ministries Include:

- Church Planting
- Christian Education : Children's & Youth Ministries
- Evangelism
- Book store & Correspondence Course
- Film showing
- Counseling
- Leadership Training
- Music Ministry
- Bible School
- Media Ministry

TCM Director's Visit: It's a blessing to a field when the head of the Mission visits! The first impression is overwhelming, both positive and negative, but in the Lord's work we wrestle on the positive side and all the impossible became possible when Ben Anderson arrived. His visit refreshed us of our commitment, mission, vision and goal in this ministry.
