

News You Can Use ... For Prayer

August - September 2019

TEAM TAIWAN ➤ This month Vincent & Shirley Quiñones (“keen-yo-ness”) and Roland & Beverly Improso plan to enter Taiwan. Pray their visas will be approved. As they pioneer TCM’s work in Taiwan, ask the Lord to provide good contacts, housing, cultural

understanding, Mandarin language learning and open doors for the gospel.

TEAM TIMOR ➤ Arsinos are fighting the good fight of faith in the midst of dogmatic Catholicism. Despite opposition, some young people received the gospel happily and are attending Bible study and chapel every Sunday morning. Praise God for 10 students willing to start studying Theology in August!

UGANDA ➤ Praise God Kivilus, Heaths and Kagwis made it home safely after 20 hours of almost nonstop driving from Uganda. During their 9-day visit they preached in 3 churches, taught seminars, made new friends and enjoyed wonderful hospitality. Pray for the Uganda churches to grow under the leadership of Pastor Philip Walendo.

KENYA ➤ August 4 marked the re-opening service of the church in Kayole, a heavily populated, impoverished area of Nairobi. Pray for Pastor Patrick Kilei and Robby Heath as they seek to reestablish and grow this church. Pray also for youth conferences to be held in 2 regions. The

Coast conference will be Aug. 10 -12 with 70 expected to attend. 150 are expected at the conference in Meru, Eastern Kenya on Aug. 21-25. Pray these youth will be edified, admonished and encouraged by their fellowship and by the Word of God.

TEAM VIETNAM ➤ Praise the Lord for a ministry motorbike and funds for their children’s studies in the Philippines. Pray they will soon be able to communicate the gospel in the Vietnamese language and be granted a residence permit to stay in the country.

SOPHAL ➤ Pray for our Cambodian sister whose cancer has returned and spread to her bones and lungs. She is in pain most of the time and can only sleep 2-3 hours a night. She turned down a second dose of chemo, as her body could not take it, and is making peace with the fact the her time is short. Pray comfort for this beautiful young family and the road ahead. Sophal remains strong in her faith and continues to be a great example to

all. Thank the Lord for compassionate USA believers who donated funds for her pain med’s and preschool fees for their 3-year old son.

TEAM CAMBODIA ➤ Julia Liles and Myra Omictin joined Bible student, Chanty, in spearheading a new outreach to Cambodian women. Nine attended the first *Women of Worth* seminar in July. Julia was “so excited to hear women express a desire to ‘know this God of love’ that they have heard such great things about!” Pray more women will join future seminars.

TEAM LAOS ➤ The B family flies back to Laos August 20 after 2 months of home assignment in Philippines. Sons, Semper and Jeph, will stay in the Philippines to continue their education. Pray for the whole family as they adjust to this separation.

BRAZIL ➤ Pray for Bible training modules to be held in North Brazil this month with guest teacher, Craig Macdonald. Pray for smooth transfer of legal documents and ministries as Indinos prepare to leave South Brazil for a new mission field.

GOMSA ➤ *Grace Outreach Ministries of South Africa* was officially launched this month. Pray for Padayhags and leaders of this new national organization to have great zeal for ministry and a unified vision for evangelism and training.
